Event Summary

The 4th Edition of the E3 Customer Experience Conference, supported by Tajriba - National CX Academy Saudi Arabia, took place on July 9-10 in Riyadh. This annual event attracted over 1,500+ attendees from more than 880 companies, providing invaluable knowledge and tools to foster customer loyalty and set organizations apart in a competitive market. The rich agenda, featuring over 60 speakers and diverse sessions, equipped attendees with crucial insights to enhance customer experiences and distinguish their brands.

This year's conference focused on key themes such as customer journey mapping, brand experiences, social media's role in CX, patient experience, hyper-personalization, and emerging technologies in CX.

The event began with a vibrant networking session, followed by an opening ceremony hosted by the National Customer Experience Academy and a government panel discussion. Over the course of two days, participants engaged in dynamic panel discussions, insightful keynotes, witnessed the signing of a memorandum of understanding, attended a sponsor recognition ceremony, and gained insights from fireside chats.

Prominent highlights of the conference included the Experience Economy Certification Program, workshops by the NCXA, and the CX Hackathon. The Experience Economy Expert Certification Workshop, led by Joe Pine, was conducted for the first time in the Middle East, offering participants comprehensive training in Experience Economy principles from a leading authority in the field.

The Tajriba - National CX Academy Workshop provided essential insights into improving customer service and experience. This initiative emphasized the critical role of continuous improvement in CX, equipping participants with practical tools and strategies to enhance customer service excellence and align organizational goals with customer needs.

The CX Hackathon featured 12 teams of CX professionals and university students competing, alongside a Startup Zone showcasing five innovative companies. These elements significantly contributed to the conference's growth and success, highlighting emerging talent and innovative ideas while enriching the experience for all participants and industry stakeholders.

The 4th Edition E3 Customer Experience Conference 2024 offered extensive networking opportunities, connecting attendees with industry peers, thought leaders, and C-level executives. Sponsors showcased their cutting-edge solutions, fostering collaboration and knowledge sharing. It was an unmissable event that set the stage for the future of customer experience innovation.

"أنا في غاية السعادة والفخر لتقديم ورشة عمل في مؤتمر تمكين تجربة العميل في نسخته الرابعة. ما زادني سعادة هو تلهف الزائرين لحضور ومناقشة عنوان ورشتي، والذي كان "قيادة تجربة العميل المحسنة من خلال القياس الفعال لمعايير الأداء الرئيسية"
لقد لقت المنهجية الرقمية التي شرحتها لتحسين تجربة العميل إعجاب الحاضرين وأثارت اهتمامهم الكبير. تركزت مناقشاتنا على كيفية استخدام مؤشرات الأداء الرئيسية الفعالة لقياس وتحسين تجربة العملاء بشكل مستمر

الحضور استفادوا من الأمثلة العملية والتوصيات التي قدمتها حول كيفية تطبيق هذه الأساليب في مؤسساتهم. تفاعلهم النشط والأسئلة المثيرة للتفكير أظهرت مدى أهمية هذا الموضوع وحاجة الصناعة إليه

أشعر بالفخر لأن مساهمتي قد أضافت قيمة حقيقية للمؤتمر وساعدت على تعزيز فهم المشاركين لأهمية القياس الفعال في تحسين تجربة العملاء. أتطلع إلى المزيد من الفرص للمشاركة في هذا المؤتمر المرموق في المستقبل"

Experience Economy Expert Certification Program

E3 CX 2024 introduced Joe Pine's Experience Economy Expert Certification Course to the Middle East for the first time. This program certifies executives as experts in creating and enhancing compelling experiences for customers, guests, and employees. The course emphasizes imparting essential knowledge, skills, and resources necessary for creating and enhancing compelling experiences for customers, guests, and employees. It delves deeply into the core principles from "The Experience Economy" and integrates elements from Joe Pine's other influential works, ensuring a holistic learning experience. Joe Pine, a renowned author and speaker, is best known for "The Experience Economy," which emphasizes the importance of memorable customer experiences. The course integrates key concepts from this and Pine's other influential works, providing a comprehensive learning experience. The Experience Economy Expert Certification Course at E3 CX 2024 signifies a pivotal advancement for executives in the Middle East, enabling them to drive exceptional experiences and elevate their organizational strategies to new heights.

Marketing & PR Communications

To ensure optimal visibility and maximum promotion for the E3 Customer Experience Conference 2024, a comprehensive multi-channel marketing campaign was implemented, spanning both print and online media. The conference gained significant exposure through prominent regional and international online publications, effectively communicating its mission as a leading thought leadership platform in the customer experience industry and highlighting noteworthy industry advancements. By actively engaging with partner networks and prominent associations online, the conference successfully expanded its reach, generating heightened interest and fostering increased awareness among a diverse audience. These strategic marketing efforts contributed significantly to the conference's success and positive impact.

I had the pleasure of speaking at the 4th Edition E3 CX Conference 2024 in Riyadh, Saudi Arabia. This event was a remarkable gathering of professionals from diverse industries, all focused on enhancing customer experiences through social media and community management.
The conference provided an excellent platform to share best practices and innovative strategies. Not only did I have the opportunity to share my insights on the impact of customer service on social media, but I also learned a great deal from other business leaders and experts in the field.
Overall, it was a fantastic event that fostered knowledge exchange and professional growth. I look forward to participating in future editions and continuing the conversation on how we can better serve our customers through social media.

> *Speaking at E3 on the Experience Economy was a great experience for me! The people at Ejtemaat Events took great care of me, assembled a terrific audience, and enabled me to share my ideas, principles, and frameworks in a way where I could truly get my message across. How people reacted to what I had to say was great to see as well. I look forward to the next opportunity!*
